Work Experience

February 2025 – February 2026 : Full Stack Developer (SAP BTP) for Accenture:

- Developed and deployed applications using Cloud Foundry for SAP UI5 Fiori application development on the SAP BTP platform in SAP BAS with Fiori Elements, SAP CAP, and OData.
- Developed and launched landing pages using HTML5, CSS, and JavaScript.
- Presented applications using Figma by creating virtual walkthroughs of them through flow prototyping.
- Created custom product visuals using Canva and Photoshop.
- Built the overall structure of the company's internal applications by creating their wireframes (page layouts) in Figma.
- Mapped out user motivations and possible actions within the applications using Figma and user flow diagrams.
- Maintained and optimized applications developed with Node.js.
- Documented the development of the applications.
- Used Azure DevOps for the repository, version control, and consistency of the applications.

- Used ServiceNow to request application permissions and resolve technical issues with the applications.

July 2023 – May 2024 : Full Stack Developer (SAP BTP) for Softtek:

- Developed and deployed applications using Cloud Foundry for SAP UI5 Fiori application development on the SAP BTP platform in SAP BAS with Fiori Elements, SAP CAP, and OData.
- Developed and launched landing pages using HTML5, CSS, and JavaScript.
- Presented applications using Figma by creating a virtual tour of them. (Flow Prototyping)
- Created custom product visuals using Canva and Photoshop.
- Mapped out the logic and possible actions for the applications using Figma. (Flowchart)
- Developed ABAP programs and reports from SAP Logon.
- Documented the application development process.
- Attended meetings to review best practices for design standards.

Certifications

- SAP UI5 Fiori at UTN E-Learning (80hs, Virtual).
- Web Development at Google Activate (80hs, Virtual).
- Standard English Test: C1 Level, Reading and Listening at Education First (1hs, Virtual).

University Education

2010 - 2016: Bachelor in Humanities at Club Atlético Independiente. (Highschool)
